

Welcome to *INSIGHT*, the newsletter from DTA & Associates. When issues and new legislation develops that could affect you or your business, we'll help you stay on top by using our *INSIGHT*.

**HELPING OUR CLIENTS TODAY AND
LOOKING TOWARDS THE FUTURE.**

DTA & Associates – the new way of providing the services that you need. Our clients are our partners. Your success is our success. At DTA & Associates, we are proud to have the experience and knowledge required in today's tough business world to guide you in making the right decisions to not only benefit you now but also in the future. We believe in communicating with our clients - our open door policy means that you can call or visit us anytime with any question(s) you have. Whatever the issues, no matter the size, we'll answer them all. Even if you just wanted to come in for a cup of coffee, we're always glad to hear from you.

Whether it is simple bookkeeping, personal taxation or full yearend financial statement and taxation preparation, trust DTA & Associates to have your interest first. We are more than just accounting and taxation. Many of our associates are qualified in other business areas such as marketing, computer information technology and communications. By incorporating all of our expertise and skills we have a true understanding of where your business is today, where you want it to be tomorrow and how together, we can develop the road map to achieve your goals.

FULLFILLING YOUR NEEDS IN:

- Accounting
- Taxation
- Financing

Income Tax Planning Starts Now

We all know it comes once a year and most of us wish it never comes at all but still, it arrives every April 30th of each year. As we enjoy the holiday season with family and friends and usher in the New Year, many people turn their attention to income taxes. In our next *INSIGHT* newsletter, we'll give you advice and tips to help minimize your taxes.
